

Statement for the Great East Japan Earthquake

We would like to express our deepest condolences to all those who have suffered in the Great East Japan Earthquake and tsunami which struck on March 11 and caused immense damage to the Tohoku and Kanto areas. We express our concern for all those who have suffered as a result of the earthquake and at the same time are sincerely wishing for a quick recovery from the disaster.

The Japan Society for Southeast Asian Archaeology, in cooperation with the Japanese Archaeological Association, will support our members who have suffered from the earthquake.
